

EDUCATIONAL EXAMINERS BOARD[282]

Adopted and Filed

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby amends Chapter 20, “Renewals,” Iowa Administrative Code.

A teacher who retires and wishes to substitute teach may apply for renewal of a substitute license acquired prior to or during the term of the standard license. The renewal requirements for a substitute license state that a person must have completed a recent one-hour class or spent at least 30 days substitute teaching during the term of the substitute license. The person may be unable to provide evidence of substitute teaching during the term of the person’s original substitute license but may have taught recently. This amendment allows a recent year of teaching experience to fulfill the requirement for renewal of a substitute license. The intent of the rule is that, since the person has experience in the classroom, teaching experience will be considered acceptable as substitute teaching experience for renewal of a substitute license.

Notice of Intended Action was published in the Iowa Administrative Bulletin on May 6, 2009, as **ARC 7748B**. A public hearing on the amendment was held on Wednesday, May 27, 2009. No one attended the public hearing, and no written comments were received. This amendment is identical to that published under Notice.

This amendment is intended to implement Iowa Code chapter 272.

This amendment will become effective September 2, 2009.

The following amendment is adopted.

Amend rule 282—20.7(272) as follows:

282—20.7(272) Specific renewal requirements for a substitute license. In addition to the provisions set forth in this rule, an applicant must meet the general requirements set forth under rule 282—20.3(272). An applicant for renewal of a substitute license shall meet one of the requirements listed below:

1. Verification of at least 30 days of substitute teaching during the term of the license or one year of teaching experience within the last five years completed during the term of a valid Iowa teaching license.
2. Completion of a local education agency or area education agency course approved through licensure renewal guidelines established by the board of educational examiners.
3. Completion of one semester hour of credit taken from a community college, college, or university.
